Background

Nicholas is Danielle and Johann's youngest son. He has continued the family lineage of psychic powers and is quite adept. He was born into a relative life of luxury and was brought into the family business as a negotiator. With his telepathic powers, he was quite good. Unfortunately, the life of adventure called to Nick and he longed to be out in the field with his older sister and brother. Danielle and Johann then assigned him to protect his sister and ensure that the family got the money that was due. He has served in this area ever since.

Personality

Nicholas is cocky and arrogant, which belies his true intelligence and cunning. He is a genuine drinker and can drink most people under the table. He prefers his flamboyant lifestyle and enjoys being "above the law."

Description

Nicholas is a heavily built, athletic young man in his mid-twenties. He is always seen wearing casual clothes such as jeans and t-shirts, even to the most formal events. He has brown hair, and blue eyes. He stands just over six feet and can be very intimidating.
